

## STANDARD SERVICES

Hassett Air Express provides you with a complete line of transportation services that ensure your freight arrives where you need it – whether it's across countries or around the world. We combine our international network of agents with the largest airfreight fleet available to give you a total transportation solution. Whether you are shipping domestically or internationally, our professional representatives work with you on an individual level to determine which Hassett services best meet your shipping and budget requirements.

From our Same Day Service to our exclusive Hassett Pak, we have the services you need to guarantee your cargo arrives when and where it needs to be. With our Standard Services, you receive the transportation solutions that get your freight delivered, anytime and on time.

### Our Standard Services include:

#### Hassett Pak - The 150 pound overnight letter.

When you need to ship a lot of items to one location, the Hassett Pak is your best choice for quality and affordability. Our exclusive Hassett Pak features a unique double-wall design and large size that makes it ideal for shipments up to 150 pounds.

#### The Hassett Pak:

- Features single factor, door-to-door rates in select U.S. cities
- Utilizes one package, providing improved transit times
- Eliminates the need for multiple packages and shipments
- Reduces the possibility of shipment damages and losses

The Hassett Pak gives you a complete shipping solution that saves time and money while providing you with our complete assurance that your shipment will arrive when and where it needs to be, anywhere in the world.

#### Same Day - When tomorrow is too late, we'll deliver today.

When a package needs to arrive at its destination today, you can rely on Hassett's Same Day Service to get it there. Our same day service picks up, ships and delivers packages all in the same day\* to meet your tight deadlines and ensure all your cargo arrives when and where it's needed. Hassett's Same Day Service is your best choice when tomorrow is too late.

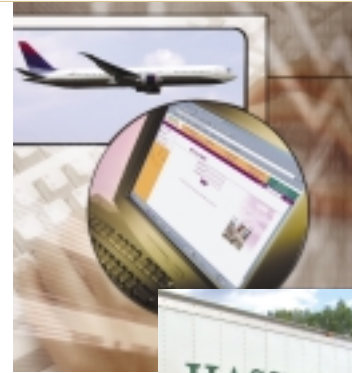

\*Some geographical restrictions apply.

#### Next Day - Delivered by next day at 5 p.m. to most U.S. cities.

Hassett's Next Day Service guarantees next day delivery to most U.S. cities by 5 p.m. so your shipments arrive where they need to be, when they need to be there. To provide you with the most efficient service available, our representatives work with you, accessing our network of flight information to find scheduled flights that meet your requirements and ensure timely delivery.

#### Second Day - Designed to control costs without sacrificing service.

Ideal for packages from 100 pounds up to 5,000 pounds, our Second Day Service gives you Hassett's high quality service at an affordable cost. We guarantee delivery of your cargo by 5 p.m. and are pleased to offer noon delivery in certain select U.S. markets.

### International - Your worldwide passport to savings!

In a global community, your business is no longer restricted to a specified area and you have materials that need to ship across country borders and around the world. As a global airfreight forwarder, Hassett has the resources you need to ship your freight anywhere in the world without exceeding your budget.

Our representatives work with an extensive network of worldwide agents, providing you with service to every major airport in the world and shipping to over 50 countries each week. We also utilize the world's largest airfreight fleet, allowing us to offer you:

- 365-days-a-year, 24-hours-a-day service
- Over 17,000 flights daily (including all domestic and foreign flag carriers, freight only carriers and charter flights)
- Service virtually anywhere in the world

When you partner with Hassett to meet your international shipping demands, you also receive:

- Confirmed flight bookings
- Total shipment monitoring
- Full documentation and import service
- Export documents
- Currency conversion rates
- Complete import assistance (includes air or truck distribution)
- Pick up and delivery (door-to-door, door-to-airport or airport-to-airport)
- Expedited or consolidated delivery service
- Custom clearance
- Broker or consignee shipment pre-alert via phone or fax
- IATA service for direct shipments
- Free domicile when necessary
